Important Note:

This list includes organisations and enterprises that have previously accepted TEDU students for traineeships. However, please note that this list should be considered as a starting point only. We strongly encourage our students to conduct further research based on their interests and career goals. For a wider range of internship opportunities, we recommend exploring <https://erasmusintern.org/>

If you are interested in pursuing an internship with any of the organizations listed, we advise you to ensure that your application stands out by having an updated resume and a well-crafted motivation letter. These documents play a crucial role in presenting a comprehensive overview of your skills, experiences, and enthusiasm for the respective position. To get guidance on how to prepare a resume and motivation letter, students can contact the Career Center by emailing kariyer@tedu.edu.tr
