TED University's *Mission*

TED University carries the mission of fostering graduates that are creative, multifaceted, critical-minded, self-confident, well-rounded lifelong learners by using innovative teaching methods and curricula that have a proper depth-to-breadth balance required by global knowledge economies. It contributes to the world of science by generating new knowledge through a wide range of scholarly research and creative efforts in focus areas of institutional priority; and being a transparent, accountable, trustworthy and open-to-learning institution aiming at continuity and sustainable development. With its transparent and organizational structure, TED University aims to become an accountable and trustworthy institution for all its stakeholders, focusing on stability and sustainable development, and a university which is open to learning.

E

R

TED University's *Vision*

The vision of TED University is to provide the best educational experience to its students and to become one of the leading foundation universities in Turkey.

Core Values

- Respect for ethical values
- Integrity, solidarity and mutual respect
- Progressive and secular institutional position
- Excellence in teaching and research
- Robust and integrated quality culture
- Partnership and cooperation spirit
- Stakeholder participation
- TED tradition

U

5 reasons *to choose* TED University

1 Liberal Arts Education

LA education prepares students for a modern and complex world that necessitates writing and speaking effectively, thinking critically and creatively, acquiring problem solving skills, and being flexible and adaptable.

2 City University

TEDU campus is in the city center and equidistant from everywhere, which provides easy access to our students with its location at the intersection of the transportation network.

3 English Medium Education

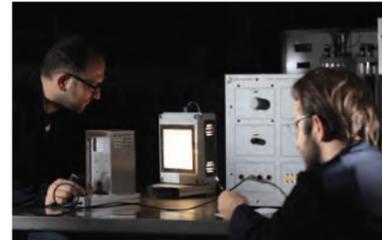

Our goal is to empower our graduates with knowledge in their fields of study and academic English language skills at an advanced level that will serve them in their continuing academic and professional careers.

4 Career Opportunities

TEDU has one of the strongest alumni and industry network not only in Turkey but also in all over the world which make a successful career planning possible for our students and provide opportunities for them.

5 Scholarship Opportunities

There are possibilities of 25%-75% tuition fee waiver or 100% tuition fee exemption for international students.

Offered Programs

Faculty of Architecture

Architecture	9000\$
City & Regional Planning	9000\$
Industrial Design	9000\$
Interior Architecture and Environmental Design	9000\$
Visual Communication Design	9000\$

Faculty of Arts and Sciences

English Language and Literature	9000\$
Mathematics	9000\$
Psychology	9000\$
Sociology	9000\$

Faculty of Economics & Administrative Sciences

Business Administration	7000\$
Economics	7000\$
Political Science & International Relations	7000\$

Faculty of Education

Early Childhood Education	7000\$
English Language Education	7000\$
Guidance and Psychological Counselling	7000\$
Mathematics Education	7000\$
Primary Education	7000\$

Faculty of Engineering

Civil Engineering	9000\$
Computer Engineering	9000\$
Electrical & Electronics Engineering	9000\$
Industrial Engineering	9000\$
Mechanical Engineering	9000\$
Software Engineering	9000\$

Scholarships

100% and 75% scholarship holders will respectively get 20% and 15% waiver for their dorm fees. The waiver will be calculated at the rate of quadruple room.

9000\$ per year
25% Scholarship: 6750\$ per year
50% Scholarship: 4500\$ per year
75% Scholarship: 2250\$ per year
100% Scholarship: 0\$

7000\$ per year
25% Scholarship: 5250\$ per year
50% Scholarship: 3500\$ per year
75% Scholarship: 1750\$ per year
100% Scholarship: 0\$

I always wanted to study at a university that represents openness and has an affirmative attitude towards its students. TEDU encourages competitiveness, critical thinking and guides us to a successful future.

Anes Memišević | Computer Engineering

How to Apply?

You can make your application via the online application program. Visit the link below or scan this QR Code with your smart phone:

<https://www.tedu.edu.tr/en/undergraduate-application>

Application Requirements

You can visit the link below, or scan this QR Code with your smart phone for application requirements.

<https://ipo.tedu.edu.tr/en/ipo/application-requirements>

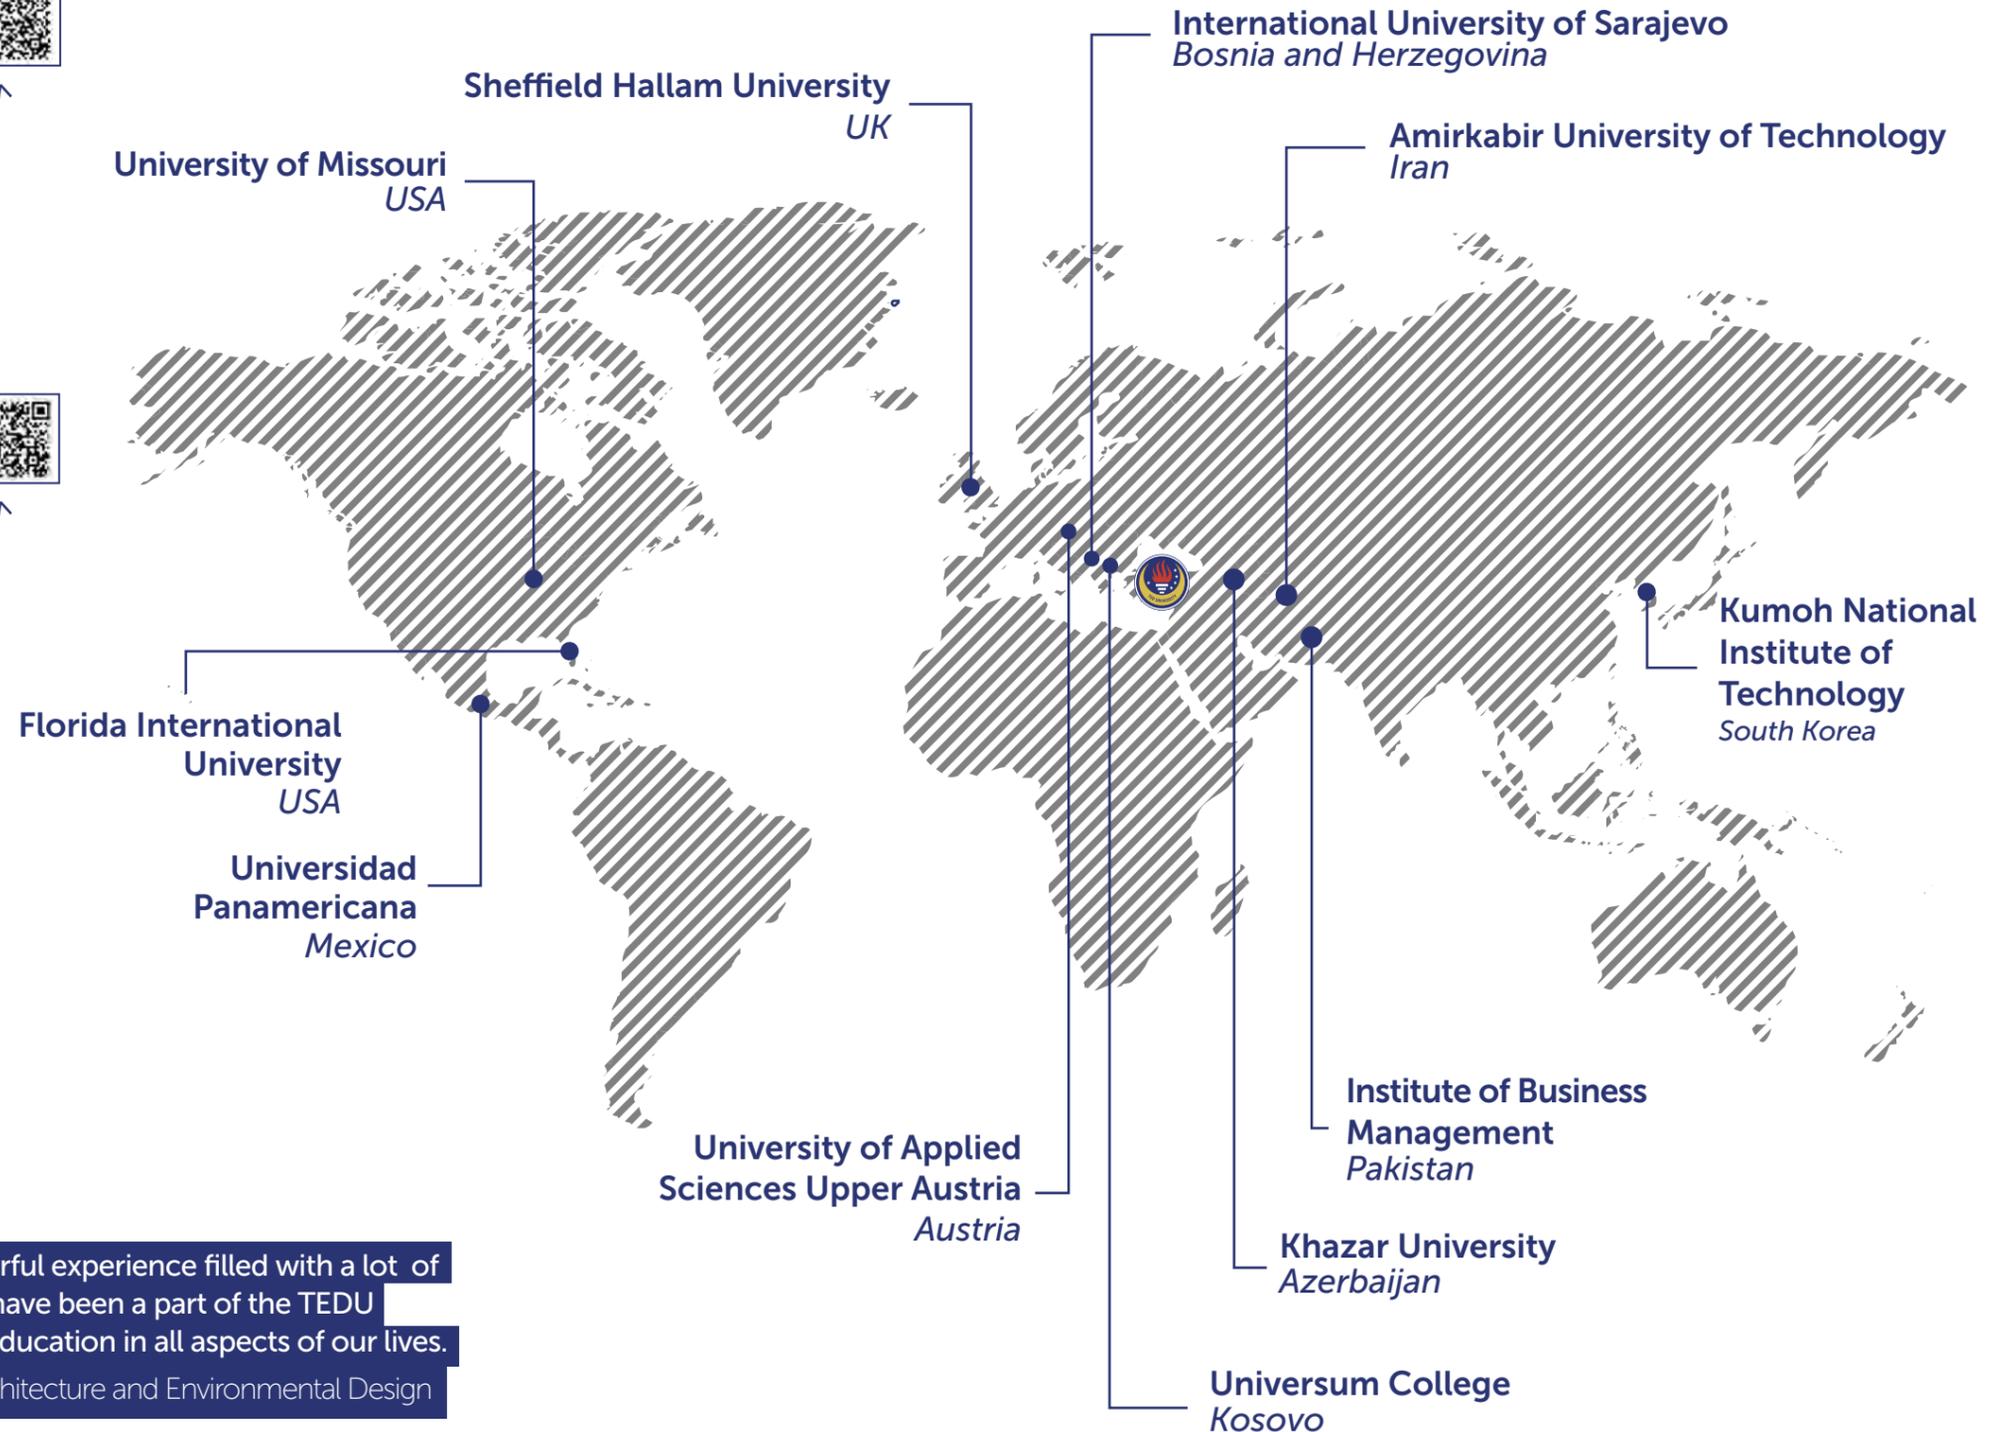

English Proficiency

No need for TOEFL!

IELTS is not recognized!
TEDU offers its own English Proficiency Exam at the beginning of the Academic Year.
After your admission you can take this exam free of charge.

Our Partners

You may have the opportunity to spend one or two semesters of your education at one of our partner universities as an exchange student.

Studying at TEDU has been a wonderful experience filled with a lot of insight and inspiration. I am glad to have been a part of the TEDU family that always provided quality education in all aspects of our lives.

Sheila Adhiambo Obunga | Interior Architecture and Environmental Design

With Erasmus+ program, you can broaden your mind and develop your skills, and you will learn how to be in charge of yourself. This opportunity allows you to improve yourself in your studies, leading you to have a global perspective. TEDU's partner universities fit very well for this purpose. I participated in Erasmus+ student mobility program for studies in a very modern city, and my education was very advanced.

Birkan Kemal Ünlü | Mechanical Engineering Student

Erasmus+ Exchange Program in Europe for International Students

You can study in Europe for 1 or 2 semesters within the scope of Erasmus+

Erasmus+ Partner Universities	Country

Anıtkabir

About Ankara

Ankara is the capital city of Turkey located at the heart of the country. The city is surrounded by tributaries of Kızılırmak and Sakarya rivers and stretches in the middle of the Anatolian plateau. It is the third largest city in the country with its surface area of 25.632 km².

Ankara is not only the administrative center of Turkey, it is the heart of policymaking, education, health, trade and technology. It is also home to many foreign embassies, international institutions and companies.

Ankara has a continental climate. Cold and snowy winters are followed by hot and dry summers. Daytime temperatures in August occasionally hit 40°C. Nightly temperatures in the summer months can be as cool as 13°C. July and August are the hottest months with almost zero precipitation while April and May record the highest rainfall. Snowfall is common from November to March.

Visiting Ankara between November and March calls for a good insulated coat and winter boots. T-shirt and shorts will be sufficient for visitors coming between June and August. Nights and other months require a windbreaker.

Anıtkabir

Anıtkabir, where is the final resting place of Mustafa Kemal Atatürk, the founder of Turkish Republic, represents the respect of Turkish people to their savior. Located on Rasattepe, Anıtkabir reflects the grandiosity of modern architecture. The Atatürk and Independence War Museum inside Anıtkabir gives visitors the chance to witness how a nation was born.

Ankara Castle (Citadel)

Ankara Citadel, originally built as a garrison, has hosted several civilizations throughout the history. It is one of the most popular tourist destinations in Ankara as it is home to several museums including Anatolian Civilizations Museum, old Ankara houses, mosques and other historical sights. It's also possible to taste local delicacies and buy traditional Turkish handcrafts in the citadel as most of the old Ankara houses located in the inner castle walls have been converted to restaurants and gift stores.

Eymir Lake

Eymir Lake located within the borders of Ankara, is one of the most beautiful recreation areas where people living in this region and those living in nearby provinces can spend their weekend holidays. Eymir Lake and its surroundings provide a very suitable area for various activities such as rowing, water sports, fishing and picnic.

Hamamönü-Altındağ

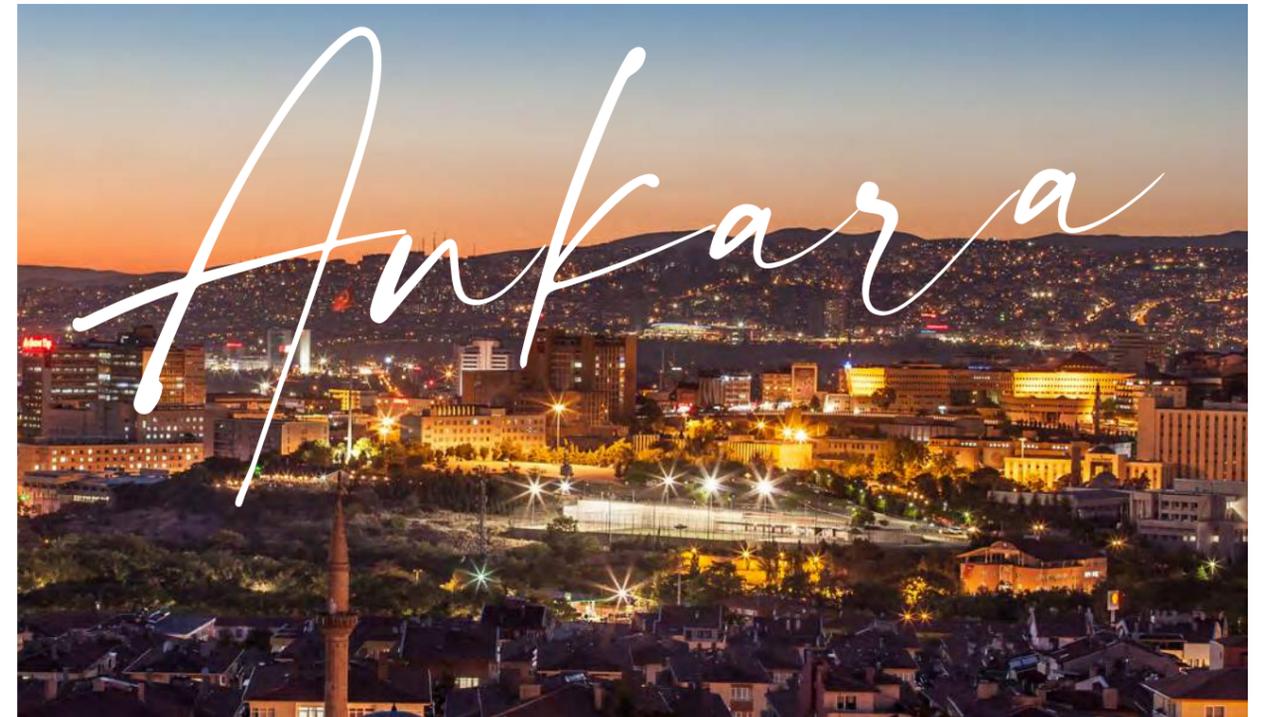

Hamamönü, which is a place reflecting traditions of the Ottoman Empire and Turkish Republic, is a unique place worth to see. There are mosques, Turkish baths, museums, and parks.

Tunalı Hilmi St.

It's a street located in Kavaklıdere district of Ankara-Çankaya. There are shops, restaurants, cafés, and businesses on the street where young people are interested. It is considered one of the important centers of social life in Ankara. Kuğulu Park is also on this street.

Beypazarı

Beypazarı is a town located about 100 km west of Ankara. In the Ottoman period, Beypazarı was a military base and was important for the local economy. Its carrots and mineral water are very famous. There are some museums, old buildings and many sights to see and to have a pleasant picnic.

Beypazarı

Eymir Lake

In Ankara there are many museums, mosques, temples, etc.
