**INTERNATIONAL PROGRAMS OFFICE**

I am writing to express my formal interest in participating in the Erasmus+ Student Mobility for Studies programme for the upcoming Fall/Spring Semester of the Academic Year 20../20... I have understood that I have been placed on the reserve list (Participant, Erasmus+ Zero Grant), and I would like to participate without receiving a grant.

I am aware that I will have the financial responsibility and will be required to fulfil the same obligations and expectations as those receiving the Erasmus+ Grant.

I submit this requisition for your kind approval.
